Red brindle with white shield, white belly, white across tailhead, white patches on legs, and white lower half of tail with a dark tip. SR Clout's Inside Scoop 284 is a beautiful homozygous wild (E+/E+) brindle heifer with a feminine face, great conformation, and promising horn growth. Her dam, PCC Golden Scoop, is sired by Gold Mine 1 and her sire is SR Clout 466. Inside Scoop is DNA parent verified through Neogen and her EPDs are
