

GFT Bladen's War Maiden

09/22/2013 Date of Birth: Registration 1: CI291794 Breeder: **GFT Longhorns**

We had been looking for a black and white cow and how could you pass her up? From her black and white speckles to her unique genetic combination she is a great addition to our herd and one that stands out from across the pasture. We look forward to having her offspring here at the ranch!
